September 15, 1993

TO: Superintendents of Illinois  
FROM: Mary Ellen Elia  
SUBJECT: District

As you are planning for grading policies, consequences for students in grades as grading policies are determined by each local Board of Education. No any decisions to use

The State Education Department does not require or recommend that students use Regents examinations as a path to the attainment of an student's first grade

As in the past  
Education

I wish you a successful start to a new school year
