Revisions requested by this charter school to:

- Increase its authorized enrollment from the currently approved 280 students to 300 students;
- Amend its mission from "Discovery Charter School prepares students to meet the challenges of a rapidly changing world, providing children living in poverty real skills for the real world. Within a learning environment featuring a rigorous and highly enriched curriculum, Expeditionary Learning, assessment-guided instruction, a culture of inquiry and enthusiasm, and services designed to mitigate the major negative impacts of poverty, students achieve beyond their peers and become exceptionally well prepared to engage the world wherever their interests take them." to "Discovery Charter School provides a high-quality education in a safe and supportive learning community for students and families, empowers students with diverse talents, delivers rigorous and culturally relevant instruction, and inquiry and strong character fosters creativity, development."; and
- Amend its Key Design Elements to align with the school's proposed mission statement.

All beginning in the 2023-2024 school year. A determination regarding these revisions has not yet been made and is currently under review by the New York State Education Department.

The application of this school is being reviewed for possible action at an upcoming Board of Regents meeting. You are receiving this notice since the school is located in your school district and/or your school is located in the same geographic region as the charter school seeking this proposed action. If you are not the school's district of location, as indicated above, nothing further is required
