recent expansion to middle school grades. In addition to the International Baccalaureate Primary Years
Programme, the Key Design Elements would now include the International Baccalaureate Middle Years
Programme. The revision would also replace the NYSED Common Core curricula with the New York State
Learning Standards and would remove the requirement that the school develop Individualized Student Learning Plans. This revision is proposed to commence in the 2022-2023 school year. A determination regarding this revision has not yet been made and is currently under review by the New York State Education Department.
