- 3. Please describe your analysis of public comment from parents, teachers, and other stakeholders on the plan. This analysis should include the approach to outreach that was implemented and common recommendations or suggestions. For recommendations not reflected in the plan above, what limitations or rationale led to the decision to not include? (250 words or less)**

The maintaining of the current class sizes and programs was a clear priority from stakeholders. The faculty and staff worked with administration to ensure that our school district is strategic in planning for longterm sustainability of our current programs despite rising expenses in TRS, Health Insurance, Transportation, and supplies in all areas of school operations. Without the increase in aid, all that participated in the presentations and discussions were aware that there would be a need for a reduction in some of the programs, inclusive of enrichment and intervention programs that take place beyond the school day and school year. The concern over school safety and the social-emotional health of our learning community
